EXPERIENCE

PKSUPPLIES.IE | Email Marketing, B2B, E-commerce, Product Marketing
Marketing Specialist | July 2026 – Present | Athlone, Ireland

- Manage a varied range of marketing activities across email marketing, B2B outreach, e-commerce and customer engagement.
- Plan and execute email marketing activities to support customer communication, lead generation and commercial objectives.
- Research and identify potential B2B customers, prospects, target companies and new business opportunities.
- Prepare and update product content for websites and e-commerce listings, ensuring information is clear, accurate and commercially relevant.
- Create product photography and edit visual assets for use across websites, e-commerce platforms and digital marketing channels.
- Conduct product, competitor and market research to support marketing decisions and identify growth opportunities.
- Contribute to customer acquisition initiatives by developing marketing ideas, preparing content and supporting campaign execution.
- Coordinate multiple tasks simultaneously, balancing creative production, research, communication and administrative marketing responsibilities.

ATHLONE SWEETS | Social Media, Content, Campaigns, Community
Digital Marketing Intern | May 2026 – August 2026 | Athlone, Ireland

- Managed social media content and community engagement across Instagram, TikTok and Facebook.
- Planned content calendars and created platform-specific content aligned with brand identity, audience interests and marketing objectives.

- Managed the full content production process, from idea development and research to filming, editing, copy preparation and publication.
- Developed creative campaign concepts and transformed them into practical digital and offline marketing activities.
- Produced and edited short-form video content using CapCut and Adobe Premiere Pro.
- Created branded graphics, promotional materials and visual assets using Canva and Adobe Photoshop.
- Researched social media trends, competitors and audience behaviour to generate relevant content ideas.
- Developed and executed a local creative campaign involving hidden sweets around Ireland, combining offline activity, social media content and audience interaction.
- Responded to customer and follower messages, supporting community management and positive customer relationships.
- Worked across creative, communication, planning and execution tasks while maintaining consistency in brand tone and visual identity.

Social Media Simternship®

January 2026 – March 2026

- Managed simulated social media marketing campaigns focused on brand awareness, engagement and conversions.
- Created, scheduled and tested organic and paid social media content for different audience segments.
- Analysed campaign KPIs and performance metrics to evaluate results and improve campaign activity.
- Applied audience targeting, demographic analysis and customer insights to support campaign decisions.
- Developed campaign briefs, marketing strategies and influencer collaboration proposals.
- Applied A/B testing, content optimisation, and performance marketing principles.

EDUCATION

TECHNOLOGICAL UNIVERSITY OF THE SHANNON

Bachelor of Digital Marketing | 2023 – Present

Relevant areas: Digital Marketing Strategy · Social Media Marketing · Branding and Campaign Management · Consumer Behaviour · Marketing Analytics · Paid Advertising · International Communications
